

Statement of Support for Veteran Hiring in Quad Cities Region

**The Quad Cities recognizes veterans as essential
to the strength of our nation and the well-being
of our community.**

In the highest American tradition, the patriotic men and women of the Armed Forces serve voluntarily in an honorable and vital profession.

They train to respond to their community and country in times of need and they deserve the support of every segment of our society.

We can all agree that when these brave men and women return home, we owe them the opportunity to find good jobs and assist them in starting or resuming their careers.

**Therefore, we join Hooah! Quad Cities
"We Hire Vets" in pledging that:**

- We appreciate the values, leadership and unique skills service members bring to the workforce.
- Our company will seek to hire Veterans, Guardsmen, Reservists, and transitioning Soldiers when opportunities are available.
- We will continually recognize and support our country's service members and their families in times of peace, crisis and war.
